ENTERPRISE BARGAINING NEGOTIATIONS UPDATE

Further to previous bulletins, members are informed that on 15 January 2010 the parties met to discuss secondment, lateral entry and progression for instructors.

At this meeting the UFU tabled its alternative position regarding these matters and outlined a process for the establishment of a Firefighters Registration Board / Institute as a mechanism through which those three key issues could be resolved.

The parties also met and finalised the terms of the Memorandum of Understanding regarding the conduct of future negotiations.

The parties are due before the Commission on the 21st of January to report back on the progress of negotiations.

Members will be kept informed of developments as they occur.
