To All CFA/MFB MEMBERS

UFU SPECIAL GENERAL MEETINGS

A reminder to members that the UFU has scheduled three Special General Meetings of the membership for Tuesday 9 February, Friday 12 February, and Monday 15 February.

Members are reminded that the starting time is 10:30am for general membership, and 9:30am for WOC delegates. Shop stewards and HSRs may also attend earlier if they wish.

There have been a number of queries regarding the location of the meetings, being at the Maritime Union of Australia building (46-54 Ireland Street, West Melbourne). This location has been strategically chosen because of concerns raised about parking and accessibility at the Victorian Trades Hall location.

The MUA have been extremely generous in allowing the UFU to have use of their premises and facilities, also at no cost, and have informed us that for their membership meetings, the train station just a short distance away maximises membership attendance. Members may choose to either travel the journey by public transport, or alternatively commute by car to a convenient train station, park the car, and catch a train the rest of the way.

Letters have been sent to members' homes, however please let those members who are on annual leave know of the dates, times, and location.
