MFB/UFU OPERATIONAL STAFF AGREEMENT 2010

Further to Bulletin 114 of Friday 20 August 2010, members are informed that the Enterprise Bargaining Agreement for members to accept or reject has now been placed onto the UFU website.

As advised in previous bulletins, before the agreement can be submitted and approved by Fair Work Australia, section 180 of the Fair Work Act requires the following conditions to be met:

Informing employees of the proposed enterprise agreement.

Explaining the terms of the agreement. This includes informing employees who may be on annual leave or overseas as reasonably possible and should also take into account employees from culturally and linguistically diverse backgrounds,

young employees and employees who did not have a bargaining representative.

Voting on the proposed agreement.

The MFB will very shortly begin to implement the above steps and the UFU will be assisting members as part of this process.

Any queries can be directed to Industrial Officers on 9419 8811.
